

# YOUR COMPLETE RECEPTION SOLUTION

SMART ENOUGH TO DELIVER, NICE ENOUGH TO CARE

- 
- A photograph of three people in a medical setting. On the left, a male doctor in a white lab coat and blue shirt smiles and gives a thumbs up. In the center, a young girl in a light pink dress smiles and gives a thumbs up. On the right, a female receptionist in a white lab coat smiles and gives a thumbs up. The background is a bright, clean clinical space.
- ✓ Improve Patient Experience
  - ✓ Decrease Staff Stress
  - ✓ Decrease Bad Debts
  - ✓ Improve Profitability

# JOIN THE REVOLUTION

IN PRACTICE MANAGEMENT BY USING TECHNOLOGY TO TACKLE THE CHALLENGES OF EFFICIENCY, STAFF MORALE, HIGH PATIENT TURNOVER AND DECREASING PROFIT MARGINS.

*AutoMed provides a **COMPLETE** reception solution to improve patient experience, decrease staff stress and improve practice viability as a whole.*

## SAVE RECEPTION TIME with:

- ✓ Online Appointments with unlimited appointment types, durations and auto nurse bookings
- ✓ Full patient online registration saving directly to PMS reducing corrupt data
- ✓ Mobile app with appointment management functions
- ✓ Caller identification and appointment book interface instantaneously identifying callers and their last doctor seen with appointment notes and recall alerts
- ✓ 5 second self check-in and intelligent waiting room allocation for walk-ins
- ✓ Concierge service with paperless new patient registration and existing patient update
- ✓ Automated messaging for appointment reminders, recalls and results
- ✓ Invoice creation and auto-billing on billing kiosk

## REDUCE COSTS:

- ✓ Reduce the number of reception hours required per patient
- ✓ No cost for new patients via online appointments
- ✓ Reduce paper consumption by switching to digital new patient registrations
- ✓ Avoid appointment cards with kiosk printed confirmations or SMS's
- ✓ Reduce staff stress and improve staff retention

## INCREASE REVENUE AND REDUCE BAD DEBT:

- ✓ Increase the number of patients that can be seen without increasing staff component.
- ✓ Self-arrival solutions ensure correct patient details recorded including valid Medicare details and concessions cards to qualify for incentives.
- ✓ Patients with outstanding debts have a payment option on arrival at kiosk prior to checking in.

## IMPROVE PATIENT LOYALTY:

- ✓ Patients access your services directly rather than via a 3rd party account reducing duplicate files and "shopping around" for 1st available doctors.
- ✓ Use our powerful, unlimited fixed cost MMS Services to keep patients informed of new services and health information.
- ✓ Reach out to patients with newsletters and campaigns via email.

*"AutoMed Systems impress with their well thought out and intuitive solutions which are designed with the consumer / patient in mind but equally as important, deliver key practice operational efficiencies. ANZ looks forward to continuing our collaboration with AutoMed Systems."*

# ONLINE REPEAT SCRIPT

## REQUESTS WITH SECURE PAYMENT

*AutoMed's online repeat script service provides a streamlined process for patients to request their repeat scripts online, select their delivery preference and pre-authorise their payment all with automated messaging to keep them informed and significantly reduce processing required by reception.*

The screenshot shows a user interface for requesting repeat scripts. It starts with a 'Please select your Doctor' section with a search bar. Below that is a 'Please list required Medications' section with a list icon and a note: 'You must enter Medication, Dosage & Times / Day (between 1 & 10) for each Medication taken.' There is a '+ Add Medication' button and a table with columns for Medication, Dosage, and Times/Day. A 'Special Note' text area is at the bottom.

## SERVICE FEATURES AND BENEFITS

**Payments processed on approved scripts only and billing integrated directly into your PMS**

- ✓ Configure your delivery options and fee schedules
- ✓ Configure participating practitioners
- ✓ Patients verified directly with your patient records reducing erroneous requests
- ✓ Patient enters pre-authorisation payment details online via a secure payment gateway
- ✓ Requests auto-emailed to practitioner or staff
- ✓ One click to approve or decline requests
- ✓ Automatic status updates to patients by MMS with configurable messages.
- ✓ Payments processed automatically on approved scripts
- ✓ AutoMed automatically creates an invoice, allocates the payment in the PMS and emails the receipt to the patient.

**YOUR CLINIC CAN NOW EASILY CHARGE PATIENTS FOR REPEAT SCRIPTS ONLINE AND SIGNIFICANTLY REDUCE WASTAGE ON PATIENTS FAILING TO COLLECT THEIR SCRIPTS**

Hi Susan Nctwell, your repeat script is ready for collection.

The payment of \$25 has been processed and the receipt will be emailed to you shortly.

You can collect your script from our reception between 9am and 6pm, Monday to Friday.

Kind regards,  
AutoMed Demo Clinic

## NO MONTHLY SERVICE FEE

- 1 month free trial with no lock-in contract or minimum term
- Service can run independently – AutoMed does not require bundling of services.  
\*(MMS feature does require an SMS Sim Card)
- \$0.75 service fee is charged per repeat script.

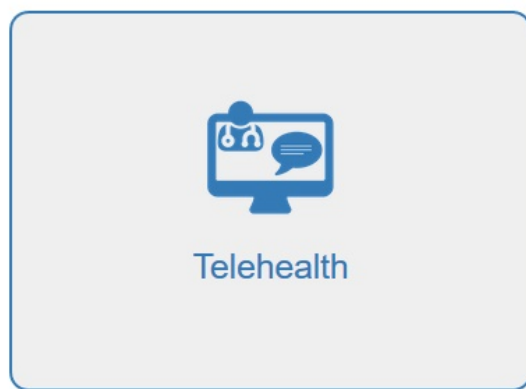

# TELEHEALTH

## WITH INTEGRATED BILLING

*AutoMed's TeleHealth makes your services available nationwide via its integrated online appointments platform using accessible technology to connect your practitioner and patient.*

### SERVICE FEATURES AND BENEFITS

## CONNECT WITH YOUR PATIENTS ANYWHERE IN THE WORLD VIA AUTOMED'S MOBILE APP

- ✓ Patients book their Telehealth appointments via AutoMed's existing online appointment interface.
- ✓ Configure participating practitioners
- ✓ Configure which appointment types are available as Telehealth and when
- ✓ Configure TeleHealth fees according to duration or consult type for auto-billing
- ✓ Patient enters pre-authorisation payment details online via a secure payment gateway.
- ✓ Instructions are messaged to patients on confirmation of appointment booking.
- ✓ Patients automatically notified by SMS 5 minutes prior to consult according to practitioners real-time waiting room.
- ✓ Patients automatically arrived in practitioner's waiting room 30 min before appointment
- ✓ Patients join consult via a URL or via AutoMed's mobile app, AMS Connect.
- ✓ Practitioners join consult via a URL in the patient's notes
- ✓ Patients are auto-billed on completion of consult with invoice, receipt and billing reconciliation completed by AutoMed

## EXPANDED ACCESSIBILITY, INCREASE THE REVENUE AND REACH OF YOUR SERVICES FOR NO MONTHLY SERVICE FEE

- No lock-in contract or minimum term
- Service can run independently – AutoMed does not require bundling of services.  
(MMS feature does require a SMS Sim Card)
- \$3.00 connection fee per completed consultation.

Visit <https://automedsystems.com.au/start-free-trial/> for pricing schedule and service information.

# FIXED-COST MESSAGING

*AutoMed provides their automated SMS Services via a fixed cost SMS Sim Card dedicated to your practice.*

## FEATURES AND BENEFITS

Hi Jane, we'd like to welcome Dr John Smith to our practice. He has extensive experience in specialised skin checks, treatments and procedures.

Having an annual skin check is always a good idea.

Book your next appointment online or call us on [03 9931 1564](tel:0399311564).

Kind regards,  
The AutoMed Team

## CAMPAIGN MESSAGING IS INCLUDED IN THE SUBSCRIPTION FEE ALLOWING YOU TO REACH YOUR PATIENT BASE

- ✓ All your patient messaging is via a single number from your practice-dedicated SMS Sim card giving your patients peace of mind
- ✓ Messages can contain unlimited characters as opposed to the 160 character limit for standard SMS's
- ✓ The Campaign messaging service includes filters for targeting a specific segment of your patient base with opt out features and campaign delivery statistics
- ✓ Single messaging is included in the weekly fee allowing you to send any single, once-off messages to patients.
- ✓ The Sim card forms the basis of the automated messaging handled by AutoMed, including Appointment Confirmations, Reminders, Recalls & Results
- ✓ Patient SMS consent can be handled internally by AutoMed
- ✓ Comprehensive logs are provided for all messaging
- ✓ All automated messaging services are integrated with MD/PracSoft and Best Practice
- ✓ Supports Chinese characters
- ✓ AutoMed creates mail merges, with a bulk export function, for patients who cannot be contacted via SMS

## FREE TO ALL AUTOMED ONLINE CONCIERGE SUBSCRIBERS

# AUTOMED PAY DESKTOP APPLICATION

*AutoMed Pay simplifies your front desk billing providing an easy-to-use interface for receiving payments with automatic Medicare integrated PCI rebates.*

## SERVICE FEATURES AND BENEFITS

### REPLACE CUMBERSOME BILLING PROCESSES WITH A STREAMLINED INTEGRATED APPLICATION

- ✓ Real-Time integration between your practice management software, the AutoMed Pay application and payment terminal.
- ✓ Displays entire current billing queue with indication as to billing type; ie Direct, Private or DVA
- ✓ Access to patient's outstanding invoices with guided payment options including automatic Medicare PCI rebates where applicable.
- ✓ Intuitive interface for updating invoice items or billing details
- ✓ Add temporary details for Medicare rebates
- ✓ Automatically submit individual or batched DVA claims
- ✓ Printed receipts and Medicare statements
- ✓ Detailed reconciliation reports.

The screenshot displays the AutoMed Pay desktop application interface. At the top, there is a 'FILTER' section with input fields for 'Patient Name' and 'Doctor Name', and a 'FILTER' button. To the right of the filter are two buttons: 'LOAD PATIENT' (with a person icon) and 'ADMIN' (with a gear icon). Below the filter is a 'Billing Queue' section. It contains a table with columns: 'PATIENT ID', 'PATIENT NAME', 'DOCTOR NAME', 'SCHEDULED', 'TYPE', and 'ACCOUNT TYPE'. The table lists three patients: Cherry Barnett, Linden Tiffany, and Kyle High, all scheduled with Dr. James Frederick. To the right of the table are three buttons: 'BATCH DVA', 'DVA LIST', and 'REMOVE DVA'. At the bottom of the interface is a row of five large buttons: 'REFRESH' (with a circular arrow icon), 'RESUBMIT MEDICARE' (with a lock icon), 'PAY' (with a credit card icon), 'VIEW INVOICES' (with a document icon), and 'PRINT INVOICE' (with a printer icon).

| PATIENT ID | PATIENT NAME   | DOCTOR NAME        | SCHEDULED | TYPE           | ACCOUNT TYPE    |
|------------|----------------|--------------------|-----------|----------------|-----------------|
| 114        | Cherry Barnett | Dr James Frederick | 09:10     | Standard appt. | Direct Bill     |
| 289        | Linden Tiffany | Dr James Frederick | 09:20     | Standard appt. | DVA Direct Bill |
| 55         | Kyle High      | Dr James Frederick | 09:30     | Standard appt. | Patient         |
